

STEPS TO BECOME AN INVESTOR

Thank you for inquiring about becoming an investor of my investor's team

Four easy steps to follow

1. PHONE CALL

Within 24 hours you will receive a welcome phone call
We then discuss basic and general information

2. MEETING

We meet with other investors to set up goals and criteria
We design strategies and learn the intricacies of investing
We learn to utilize specialized tools used by investors

3. INVENTORY

You will receive weekly important emails about
Foreclosures, government owned homes, Bank owned homes,
and up to date notices on future property Auctions.

4. INVESTMENTS

We analyze all potential investments and make smart offers to
acquire those that match our criteria and our desire return.
We then flip some of those investments for immediate profit.

**We will keep investing over and over and over
until you reach your desire cash flow**
